Most kids in the U.S.
crave more toys.

Kids in Southeast Asia
celebrate over:
a cup of clean water,
a bowl of rice,
and a chance to learn.

Partner with Adventist Southeast Asia Projects in using Christ's method to serve the poorest of the poor in Cambodia, Laos, Vietnam and Thailand. Call today to request the *Priceless Gift Catalog*. You can give the priceless gift of the gospel and provide access to the basics of life.
